

Weir Volunteer Fire Department

Membership Application
450 FM 1105
Georgetown, TX
78626

Dear Applicant,

Thank you for considering Weir Volunteer Fire/Rescue as a place to serve your community. By filling out this application, you have an interest in protecting and saving the lives and property of the people in this community and surrounding areas. We are all held to the same excellent standards. This application applies to all applicants seeking volunteer member status.

Volunteers at this department are expected to attend training events, drills and business meetings. This is to familiarize yourself with what we do, our apparatus, equipment, policies and to get to know those you will be working with. During the application process you will be expected to submit to a pre-service background check, driving record review, and panel interview to be a member of the Weir Volunteer Fire Department. After successful completion you will have an interview with the Chief who will make the final determination on membership approval after reviewing recommendations from the panel interview and reviewing all submitted documentation. Once a member you will be placed into a probationary status and will be assigned depending on your level of certification. The status of a probationary can be revoked at any time if your progress and commitments are not deemed acceptable by the Fire Chief, Assistant Fire Chief, or the Training Officer. During the time in probationary, you will complete introductory training, Williamson County Scope of Care Test. You will also be assigned a department mentor that will assist you with the beginning or continuation of your service as a member.

Volunteers may be called upon at any time to assist with grass fires, station standbys, medical calls, vehicle collisions, natural disasters, structure fires, and other types of emergencies.

Once your probationary status has ended and you have been cleared by the Training Officer with concurrence from the Fire Chief, you can then be moved off of probationary status provided all appropriate levels of training and certification/licensure are completed as outlined in your designated training plan as provided by the Training Officer.

Please complete this application and bring it with you as well as other required documentation as part of panel interview.
